THE PATTERSON CAS: HIS AMBIGUOUS DENIAL

THE SENATE. THE TREASURY DECISION.

CALDWELL RESIGNED CEBE HARRIS UNSHIPPED AND

IKE YOUNG RESHIPPED.

HOT FIGHT OVER THE SAVAN-

NAH COLLECTORSHIP.

HARRIS AGAIN CONFIRMED.

WASHINGTON, March 23,-A report prevails that Sentor Caldwell will tender his resignation to-morrow morning before the decision in his case shall be resumed. But the Senator himself having been interrogated on the subject last night, denies its truth. Saving, however, that his course is altogether controlled by the advice of his friends. The question before the Senate stands

1st. The resolution of the committee on Privileges and Elections, declaring that Alex. Caldwell was not duly and legally elected to a seat in the Senate the United States, by the Legisla ture of Kansas.

2d. Mr. Ferry, of Connecticut, proposes to amend the above resoluti so as to read, thus : "That Alex. Caldwell be and he hereby is expelled from the Senate of the United States, And 3d. Mr. Ferry, of Michigan, proposes to amend the amendment so as to declare Caldwell to have been elected Senator. The first vote will be on the last named proposition, but if this fails, next on that of Ferry, of Connecticut. If the requisite two-thirds should not be obtained for it the Senate will be brought to a vote on the resolution of the Committee. The Senate on Saturday were unable to

agree upon an order of voting on the pending propositions different from sury Department the damage allowances should only embrace the actual substantial damage to merchandise. No allowance can be made for what is

termed "commercial damage." certain imported sheeting metal was employed in the construction of two Davie were bosom friends and ardent steamers, built subsequent to the act of June 6, 1872, for an agent of the Japanese Government, it was held that they agreed to call them in honor of exempting from duty imported articles Hyde Ali, of Egypt, and Tippo Saib of entering into the construction of vessels built in the United States, do not apply. The benefits of said provision of the law extend only to vessels built in the United States and documented as vessels of the United States, with the intention of employing them in the trade between the United States and foreign countries, or between the Atlantic and

Pacific ports of the United States. and cotton and furs are not entitled to ten per cent. reduction of duty. Marine documents cannot be issued to a vessel when she is absent from the port where application for papers is made The United States and British Claims Commission will close all its business
